plural noun

Greetings (sign). The stars have big plans for you this coming February.

This month you can expect (adjective) energy and may find yourself caught up with your own potential!

Don't worry as (number) and (number) are your lucky days this month and may bring you good fortune if you play your cards right.

As a (sign), February is the perfect month for you to meet someone new. Be on the lookout for someone with (favorite color) hair. They just might be your soulmate! If you (verb) enough, you're sure to encounter them!

While things might look good for you this month, it's crucial that you avoid (plural noun) or else your entire life might fall apart and even the cosmos cannot save you.

Best of luck (sign) !
