Sketches

Comp 1

Greetings (sign). The stars have big plans for you this coming February.
This month you can expect energy and may find yourself caught up with your own potential!
Don't worry as and are your lucky days this month and may bring you good fortune if you play your cards right.
As a(sign), February is the perfect month for you to meet someone new. Be on the lookout for someone with hair. They just might be your soulmate! If you enough, you're sure to encounter them!
While things might look good for you this month, it's crucial that you avoid or else your entire life might fall apart and even the cosmos cannot save you.
Best of luck (sign)!
